Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant and Examiner discussed the maintenance of the rejection using Dor. The Examiner indicated that under MPEP 201.15, an affidavit and English translation of the priority document relied on by Applicant in establishing priority over Dor needed to be filed before final action in order to be considered as of right. Because said affidavit and English translation were filed after final, prosecution is closed. Should Applicant wish to further prosecute the Application, it is suggested that an RCE be filed .
